

## [#15] Fekel, Mongrel ♂

### **Hit Points**

8 HITS

### **Character Background**

As son of the former clan leader, you wish to assume the role of your recently departed father. As you looked among your father's things, you discovered a Ring of Giant Growth. You pledged with the help of the ring you shall become the new clan leader.

### **Goals**

Kobold tradition requires a new leader to compete in a contest of incredible feats. The feat you will be asked to do may test your strength, intelligence or bravery. The living clan members vote for the winner and their new leader by a show of paws.

- Rig the contest of feats in your favor
- Persuade fellow Kobolds to vote for you
- Escape the plane alive

### **Enemies**

Belzak[#14] also wishes to be the new clan leader. He may be related to King Torg (ALL HAIL KING TORG!), but that doesn't mean he'll win.

### **Allies**

Vux[#17] is in charge of organizing the contest of incredible feats. Perhaps he can be bribed.

Preek[#20] is a friend of yours. You feel you can trust him.

### **Items**

Ring of Giant Growth  
Large Wooden Ladle

### **Special Abilities**

**Veteran Kobold:** You can force another Kobold to either exchange weapons with you. If they refuse they must give you a card. You may only do this once per character. This does not work on other veteran Kobolds.

**Ring of Giant Growth:** You immediately grow to twice your height, twice your weight and do twice the damage. This ability costs 2 cards.
