

[#23] B.E.E.R, Barley Balefire (no gender)

Hit Points

6 HITS

Character Background

You are a robot dog (Beverage Eliminating Evil Robot) who can build robots given enough parts. You are made out of metal and fashioned in the shape of a dog. At the end of your legs are wheels. In the place of eyes are rubies.

Goals

You are the last of your race, the Barley Balefire, which probably would have perished if you had not been captured by Olaf. You wish to leave a legacy and to populate the universe with robots of your creation.

- Create as many robots as you as can
- Escape the plane

Enemies

Cortis[#24] does not think it is wise to build autonomous robots.

Allies

Bulflar[#21] loves beer. He may be able to aide you in your quest.

Items

Oil Can

Special Abilities

Robo-wrench: You can build a robot. This costs 4 cards and 2 beers.

Ruby Laser: Your eyes can emit a laser beam. The intensity of the beam depends on the number of beers you consume. This costs 2-6 beers.

Levitate: You can levitate a short distance and carry a light load. This requires one card.
